# NORCOOL Slim HC

## Key Benefits

**Open-top, no barrier ICM**

- Enhanced impulse purchase

**Can easily capture the outlet's transaction zone**

- Small footprint
- Suitable shape for placement in front of counter
- Due to its narrow size, the unit can be placed practically anywhere, without blocking consumer flow

**Modern aesthetics**

- Unhindered view of products with curved transparent panes & non obstructing columns

**Easy to move due to retractable steering handle & wheels**

- Enhanced mobility for special events, product promotion inside or outside the outlet

## Options include

**Functional**

- LED illumination
- Branded top lid
- Product compartment divider (2 or 3 compartments)

**Branding**

- Price tags
- Side stickers
